**Tupperware Product S.A.**

Rte du Jura 37A

CH - 1700 Fribourg | Switzerland

October 1<sup>st</sup>, 2019

**Statement – No animal Testing**

To whom it may concern:

This is to certify that none of the companies in the International Beauty Group of Tupperware Brands test or commission testing of finished products on animals. The International Beauty Group of Tupperware Brands is including the following brands: Avroy Shlain, Fuller, NaturCare, Nutrimetics, and Nuvo.

This applies to all cosmetic products and product for personal care, developed and manufactured at our own facilities or by third party vendors.

Best regards
